

2017 - 2018

Dear Friend,

It is with great joy that I announce the launch of the Gallup School of Supernatural Ministry (GSSM) for 2017-2018. We are using the DVD curriculum licensed under the Bethel School of Supernatural Ministry in Redding, California.

GSSM is called to inspire, equip and activate followers of Jesus to live a supernatural lifestyle everywhere. Through a theology of living from heaven to earth, GSSM prioritizes an experiential faith where signs, wonders and miracles are the new normal. Our passion is to raise up revivalists who encounter God daily and lead others into a God encounter.

GSSM will run as a part-time school, operating Tuesday evenings from 6:30 - 9:30 pm over a 10-month period, beginning on September 5th. All sessions will be held at Lighthouse International Ministries, 2045 Westview Street, and we will also come together one Saturday a month for practical teaching and activation days.

This first year course originally put together by Bethel Church is among the most life changing curriculums available to the Body of Christ today. Come and join us for an amazing year!

Blessings in everything.

In His Service

Director, Bill Bennot and the GSSM Team

Introduction

Lighthouse International Ministries, will be offering the successful supernatural school first year curriculum in Gallup. In order to make the course accessible to as many people as possible, including those from other churches around Gallup, we have designed the school to run as a part time school on one evening a week.

The school will run over a 10-month period on Tuesday evenings following the UNM and Gallup-McKinley County schools schedule. School starts September 5th 2017, and continues to May 22, 2018. We include once-a-month Activation Saturdays during the year as part of the course in order to facilitate the supernatural lifestyle of a revivalist.
